Lesson 3 - Letter Cc

Greeting

We start the class with a proper greeting. We encourage day to day conversational English by asking the following questions. The student can choose their answer from the labelled pictures presented to them;

- How are you feeling today?
- What is the weather like today?
- What day of the week is it today?
- What is the name of the month, this month?
- What letter of the alphabet are we going to learn about today?

Phonics & Vocabulary

In these classes we will focus on the correct sounding out of the letters of the alphabet (short and long sounds) and how to correctly say the new words introduced.
